Subject: Announcement for signing of Agreement through our Joint Venture company Alara Resources LLC, Oman for copper Mining

Dear Sir/Madam,

We are pleased to share with you that South West Pinnacle Exploration Limited has signed an agreement through its' Joint Venture company named Alara Resources LLC, Oman for a copper mining of approx. 63 million tons in Oman. The aggregate value of contract is around Rs. 125 Million USD. The contract is to be executed over a period of next 10 years out of which the average total material movement for the first five years would be 7.58 MT P.A. and after five years the total material movement would gradually decrease in next five years by end of tenth year.

The mining operations shall broadly include: -

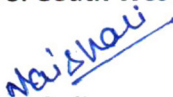

- A. Plan the mine and its' development and construction to the reasonable design standards;
- B. Clear land, remove and store top soil for reuse and prepare banks;
- C. Mine and extract ore in accordance with the production schedule;
- D. Implement and comply with the obligations with the Environmental management system(EMS);
- E. Construct and maintain all access ways and haul ways.

This is for your information and record.

Thanking you,

Yours faithfully
